FOR IMMEDIATE RELEASE

13 April 2021

RECOMMENDED COMBINATION

of

Bally's Corporation ("Bally's")

(and Premier Entertainment Sub, LLC an indirect wholly-owned subsidiary ("Premier Entertainment"))

with

Gamesys Group plc ("Gamesys")

to be effected by way of a Scheme of Arrangement under Part 26 of the Companies Act

Summary

- On 24 March 2021, the boards of Bally's and Gamesys announced that they had reached agreement in principle on the terms of a possible recommended combination of Bally's with Gamesys pursuant to which Bally's would acquire the entire issued and to be issued ordinary share capital of Gamesys. The Bally's Board and the Gamesys Board are pleased to announce that they have now agreed upon the definitive terms of the Combination and completed reciprocal due diligence, both of which were pre-requisites to the issue of this Announcement, which is being made under Rule 2.7 of the Takeover Code.
- It is intended that the Combination will be effected by Bally's directly or with or through Premier Entertainment, an indirect wholly owned subsidiary, and that the Combination will be implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act, or if Bally's or Premier Entertainment elects (with the consent of the Panel, if required, and subject to the terms of the Cooperation Agreement), by a Takeover Offer.
- The Gamesys Board and the Bally's Board believe that the Combination has a compelling strategic and financial rationale, would create long-term value for both Gamesys and Bally's and would be consistent with Bally's and Gamesys' respective long-term growth strategies. Gamesys would benefit from Bally's fast-growing land-based and online platform in the United States, providing market access through Bally's operations in key states as the nascent iGaming and sports betting opportunity develops in the US. Bally's would benefit from Gamesys' proven technology platform, expertise and highly respected and experienced management team across the online gaming field. The Combined Group would be well positioned to capitalise on the full range of opportunities available both in the US and beyond.
- Under the terms of the Combination, each Gamesys Shareholder will be entitled to receive:

for each Gamesys Share	1,850 pence in cash (the "Cash Offer")
-------------------------------	---
- In addition, the Gamesys Board has proposed a final dividend in respect of the year ended 31 December 2020 of £30.7 million in aggregate, which, based on Gamesys' issued share capital as at the Latest Practicable Date, would equate to 28 pence per Gamesys Share (the "**Gamesys**

Final Dividend") for approval by Gamesys Shareholders at Gamesys' 2021 annual general meeting (currently expected to be held in June 2021) (the "**Gamesys AGM**").

- The Cash Offer, including the Gamesys Final Dividend, represents a premium of:
 - approximately 14.4% to the Closing Price per Gamesys Share of 1,642 pence on 23 March 2021 (being the last Business Day prior to the commencement of the Offer Period);
 - approximately 41.2% to the Closing Price per Gamesys Share of 1,330 pence on 25 January 2021 (being the last Business Day prior to Bally's initial proposal to Gamesys dated 26 January 2021); and
 - approximately 36.7% to the average closing price per Gamesys Share of 1,373 pence for the three-month period ended 23 March 2021 (being the last Business Day prior to the commencement of the Offer Period) on a volume weighted average price basis.
- Bally's will also make available the Share Alternative, pursuant to which Scheme Shareholders (other than Scheme Shareholders resident or located in Restricted Jurisdictions) may elect to receive New Bally's Shares in lieu of part or all of the cash consideration to which they would otherwise be entitled under the terms of the Combination, using the following exchange ratio:

for each Gamesys Share 0.343 New Bally's Shares

Based on the Closing Price of \$60.80 per Bally's Share at close of business on the Latest Practicable Date and applying the USD:GBP exchange rate quoted by Bloomberg at 5.00 p.m. Eastern Standard Time on the same date, the Share Alternative values each Gamesys Share at 1,518 pence.

- Bally's and Premier Entertainment have received irrevocable undertakings from the Electing Gamesys Directors and the Electing Gamesys Shareholders to elect for the Share Alternative in respect of their entire (or, in respect of Michael Mee, part of his) beneficial holdings of Gamesys Shares amounting, in aggregate, to 28,003,501 Gamesys Shares (representing 25.6% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date).
- In addition, if the Combination has not completed before the ex-dividend date of 9 September 2021, the Gamesys Board reserves the right to declare an interim dividend for the six months ended 30 June 2021 of an aggregate amount of up to £16.4 million which, based on Gamesys' issued share capital as at the Latest Practicable Date, would equate to a dividend of up to 15 pence per Gamesys Share (the "**Second Gamesys Interim Dividend**").
- The Bally's Board and the Gamesys Board have agreed that Gamesys Shareholders will be entitled to receive the Agreed Dividends, if and to the extent declared in accordance with the terms set out in this Announcement, in each case without any reduction to the Consideration payable by Bally's and Premier Entertainment under the terms of the Combination.
- If any dividend and/or other distribution and/or other return of capital or value is authorised, declared, made or paid or becomes payable in respect of Gamesys Shares on or after the Announcement Date, other than, or in excess of, the Agreed Dividends, Bally's and Premier Entertainment reserve the right to reduce the Consideration by the aggregate amount of such dividend and/or other distribution and/or other return of capital or value. In such circumstances, Gamesys Shareholders would be entitled to retain any such dividend and/or distribution and/or other return of value declared, made or paid.
- **The Gamesys Directors, who have been so advised by Macquarie Capital as to the financial terms of the Cash Offer, unanimously consider the terms of the Cash Offer to be fair and reasonable. In providing its advice to the Gamesys Directors, Macquarie Capital has taken into account the commercial assessments of the Gamesys Directors. Macquarie Capital is**

providing independent financial advice to the Gamesys Directors for purposes of Rule 3 of the Takeover Code.

- **Accordingly, the Gamesys Directors intend unanimously to recommend that Gamesys Shareholders vote, or procure the vote, in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting as the Gamesys Directors who hold Gamesys Shares have irrevocably undertaken to do in respect of their own beneficial holdings (and those of certain of their close relatives and related trusts) of Gamesys Shares amounting, in aggregate, to 2,825,711 Gamesys Shares (representing 2.6% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date), or, if the Combination is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer. The Electing Gamesys Directors and a related trust of Keith Laslop have also irrevocably undertaken to elect for the Share Alternative in respect of their entire (or, in respect of the related trust of Keith Laslop, part of its) beneficial holdings of Gamesys Shares amounting, in aggregate, to 1,783,276 Gamesys Shares (representing 1.6% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date).**
- In addition, Bally's and Premier Entertainment have also received irrevocable undertakings from certain other Gamesys Shareholders to vote, or procure the vote, in favour of the Scheme at the Court Meeting and all of the Resolutions to be proposed at the General Meeting in respect of their entire beneficial holdings (and those of certain of their close relatives and related trusts) of Gamesys Shares amounting, in aggregate, to 33,676,449 Gamesys Shares (representing 30.8% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date), or, if the Combination is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer.
- In total, therefore, irrevocable undertakings to vote in favour of the Scheme and the Resolutions have been received from Gamesys Directors and other Gamesys Shareholders representing, in aggregate, 36,502,160 Gamesys Shares (representing 33.3% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date).
- In addition, irrevocable undertakings to elect for the Share Alternative have been received from Gamesys Shareholders representing, in aggregate, 28,003,501 Gamesys Shares (representing approximately 25.6% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date).
- Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.
- The Combination will be put to Gamesys Shareholders at the Court Meeting and at the General Meeting. In order to become effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present and voting at the Court Meeting, either in person or by proxy, representing at least 75% in value of the Scheme Shares voted. In addition, a special resolution implementing the Scheme must be passed by Gamesys Shareholders representing at least 75% of votes cast at the General Meeting.
- The Combination is conditional upon, among other things, the approval of the issuance of the New Bally's Shares by Bally's Shareholders at the Bally's Shareholder Meeting. The Bally's Directors intend unanimously to recommend that Bally's Shareholders vote in favour of the approval of the relevant proposals at the Bally's Shareholder Meeting. Bally's and Gamesys have entered into a voting agreement with certain Bally's Directors and officers of Bally's who hold Bally's Shares, pursuant to which they have irrevocably undertaken to vote in favour of the relevant proposals at the Bally's Shareholder Meeting in respect of their beneficial and of record holdings (and those of certain of their connected persons) of Bally's Shares amounting, in aggregate, to 801,917 Bally's Shares (representing 2.5% of the outstanding issued share capital of Bally's as at the Latest Practicable Date).

- In addition, Bally's and Gamesys have entered into a voting agreement with Standard RI Ltd., pursuant to which Standard RI Ltd. has irrevocably undertaken to vote in favour of the relevant proposals at the Bally's Shareholder Meeting in respect of its shareholding of 11,251,159 Bally's Shares (representing 35.3% of the outstanding issued share capital of Bally's as at the Latest Practicable Date).
- Further details on the Bally's Director Voting Agreement and the SRI Voting Agreement are set out in Appendix III to this Announcement.
- The Combination is subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document.
- It is currently anticipated that, subject to the satisfaction or (where capable of waiver) waiver of all such Conditions, the Scheme will become effective during the fourth quarter of 2021.
- The Scheme Document, containing further information about the Combination, notices of the Court Meeting and the General Meeting and the expected timetable of the Scheme, together with the Forms of Proxy, the Form of Election and the Prospectus, will be published in due course.

Commenting on the Combination, Neil Goulden, Chairman of Gamesys said:

"The Combination would give unique optionality to Gamesys Shareholders. The recommended Cash Offer, including the Gamesys Final Dividend, provides a 41.2% premium to Gamesys' share price at the time of the original proposal from Bally's and is at a significant premium to the all time high Gamesys share price prior to the 2.4 Announcement. However, should Gamesys Shareholders wish to invest in a business with a strong foothold in the high-growth US gambling market combined with established markets in the UK and Japan, they can elect for part or all of their holding to be converted into Bally's Shares."

Commenting on the Combination, Lee Fenton, the CEO of Gamesys said:

"After more than two decades honing our craft in online gaming, this Combination would give all at Gamesys an opportunity to fully leverage the technology, product and know-how we have developed in what will become the largest regulated online gambling market in the world. I believe the highly complementary nature of our companies and the common history of being highly cash generative will leave us uniquely positioned for success."

Commenting on the Combination, Soo Kim, Chairman of Bally's said:

"We believe that this Combination would mark a transformational step in our journey to become a leading integrated, omni-channel gaming company with a B2B2C business. We think that Gamesys' proven technology platform alongside its highly respected and experienced management team, combined with the US market access that Bally's provides, should allow the Combined Group to capitalise on the significant growth opportunities in the US sports betting and online markets."

We are truly excited about the opportunities that this Combination offers and the enhanced and comprehensive experience and product offering that it would enable us to offer our customers."

Additional information for US investors in Gamesys

The Combination relates to shares of an English company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act of 1934 (the "**US Exchange Act**") and other requirements of US law.

Instead, the Combination is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. Neither the US Securities and Exchange Commission (the "**SEC**"), nor any securities commission of other jurisdictions, has approved or disapproved of the Combination, passed upon the fairness of the Combination or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is unlawful.

The New Bally's Shares have not been registered under the US Securities Act of 1933 (the "**US Securities Act**") and will be issued pursuant to the exemption from registration provided by Section 3(a)(10) under the US Securities Act. If, in the future, Bally's or Premier Entertainment exercises its right to implement the Combination by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC that will contain a prospectus with respect to the issuance of New Bally's Shares under the US Securities Act. In this event, Gamesys Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they would contain important information, and such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to Bally's contact for enquiries identified above.

New Bally's Shares issued to persons other than "affiliates" of Bally's (defined as certain control persons, within the meaning of Rule 144 under the US Securities Act) will be freely transferable under US law after the Combination. Persons (whether or not US persons) who are or will be "affiliates" of Bally's within 90 days prior to, or of the Combined Group after, the Effective Date will be subject to certain transfer restrictions relating to the New Bally's Shares under US law.

In addition, if Bally's exercises its right to implement the Combination by way of a Takeover Offer, which is to be made into the US, such Takeover Offer will be made in compliance with the applicable US laws and regulations, including Section 14(e) and Regulation 14E under the US Exchange Act.

If the Combination is implemented by way of Takeover Offer, in accordance with, and to the extent permitted by, the Takeover Code and normal UK market practice, Deutsche Bank and their respective affiliates may continue to act as exempt principal traders or exempt market makers in Gamesys Shares on the London Stock Exchange and will engage in certain other purchasing activities consistent with their respective normal and usual practice and applicable law, as permitted by Rule 14e-5(b)(9) under the US Exchange Act. In addition, in accordance with normal United Kingdom practice, Bally's, Premier Entertainment or their nominees or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Gamesys outside of the US, other than pursuant to the Combination, until the date on which the Combination and/or Scheme becomes effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including United Kingdom laws and the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. To the extent that such information is required to be publicly disclosed in the United Kingdom in accordance with applicable regulatory requirements, this information will, as applicable, also be publicly disclosed in the United States.

The receipt of cash consideration by a Gamesys Shareholder for the transfer of its Gamesys Shares pursuant to the Scheme will be a taxable transaction for United States federal income tax purposes and under applicable US state and local, as well as overseas and other, tax laws. The receipt of New Bally's Shares may also be taxable for such purposes. In certain circumstances, Gamesys Shareholders that are not US persons and that receive cash consideration pursuant to the Scheme may be subject to US withholding tax. Each Gamesys Shareholder is urged to consult an independent professional adviser

regarding the applicable tax consequences of the Combination, including under applicable United States, state and local, as well as overseas and other, tax laws.

Financial information relating to Gamesys included in this Announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States (“US GAAP”). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom.

Gamesys is incorporated under the laws of England and Wales. In addition, some of its officers and directors reside outside the United States. Some or all of its assets are or may be located in jurisdictions outside the United States. Therefore, it may be difficult for US holders of Gamesys Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Combination, since investors may have difficulty effecting service of process within the United States upon those persons or recovering against Gamesys or its officers or directors on judgments of United States courts, including judgments based upon the civil liability provisions of the United States federal securities laws. It may not be possible to sue Gamesys or its officers or directors in a non-US court for violations of the US securities laws.

Additional information about Bally's

This Announcement may be deemed to be solicitation material in respect of the Combination, including the issuance of the New Bally's Shares. In connection with the foregoing proposed issuance of New Bally's Shares, Bally's expects to file a proxy statement with the SEC. To the extent Bally's effects the Combination as a Scheme under English law, the issuance of New Bally's Shares would not be expected to require registration under the US Securities Act pursuant to an exemption provided by Section 3(a)(10) of the US Securities Act. If Bally's or Premier Entertainment elects (with the consent of the Panel, if required, and subject to the terms of the Cooperation Agreement) to implement the Combination by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC containing a prospectus with respect to the New Bally's Shares and include appropriate additions and amendments to the Conditions to reflect any additional related requirements. **BALLY'S INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THESE MATERIALS (INCLUDING ANY AMENDMENTS OR SUPPLEMENTS THERETO) AND ANY OTHER RELEVANT DOCUMENTS IN CONNECTION WITH THE COMBINATION THAT BALLY'S WILL FILE WITH THE SEC WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT BALLY'S, THE PROPOSED ISSUANCE OF THE NEW BALLY'S SHARES, AND THE COMBINATION.** A proxy statement filed on Schedule 14A, the registration statement/prospectus filed on Form S-4, in each case as applicable and other relevant materials in connection with the proposed issuance of New Bally's Shares and the Combination (when they become available), and any other documents filed by Bally's with the SEC, may be obtained free of charge at the SEC's website at www.sec.gov. In addition, investors and security holders may obtain free copies of the documents filed with the SEC at Bally's website, www.ballys.com, or by contacting our Investor Relations department in writing at Investor Relations, 100 Westminster Street, Providence, Rhode Island 02903.

Bally's, the Bally's Directors and Bally's executive officers may be deemed to be participants in the solicitation of proxies from Bally's Shareholders with respect to the Combination, including the proposed issuance of New Bally's Shares. Information about the Bally's Directors and Bally's executive officers and their ownership of Bally's Shares is set forth in Bally's Annual Report on Form 10-K for the fiscal year ended 31 December 2020, which was filed with the SEC on 10 March 2021 and Bally's proxy statement for its 2020 Annual Meeting of Shareholders, which was filed with the SEC on 8 April 2020. Information regarding the identity of the potential participants, and their direct or indirect interests in the solicitation, by security holdings or otherwise, will be set forth in the proxy statement and/or prospectus and other materials to be filed with the SEC in connection with the Combination and issuance of New Bally's Shares.

In accordance with applicable US state gaming regulatory requirements, Bally's charter documents contain certain restrictions pertaining to the acquisition, transfer and ownership of Bally's Shares. These restrictions include a requirement that a person seeking to acquire Bally's Shares constituting 5% or

more of Bally's Shares first be found suitable and/or obtain a license from the appropriate gaming regulators to hold such Bally's Shares and a requirement that a holder of Bally's Shares, regardless of percentage, is subject to applicable gaming laws and must divest its Bally's Shares in the event it is disqualified or determined to be unsuitable.

RECOMMENDED COMBINATION

of

Bally's Corporation ("Bally's")

(and Premier Entertainment Sub, LLC an indirect wholly owned subsidiary ("Premier Entertainment"))

with

Gamesys Group plc

to be effected by way of a Scheme of Arrangement under Part 26 of the Companies Act

1. Introduction

On 24 March 2021, the boards of Bally's and Gamesys announced that they had reached agreement in principle on the terms of a possible recommended combination of Bally's with Gamesys pursuant to which Bally's would acquire the entire issued and to be issued ordinary share capital of Gamesys.

The Bally's Board and the Gamesys Board are pleased to announce that they have now agreed upon the definitive terms of the Combination and completed reciprocal due diligence, both of which were pre-requisites to the issue of this Announcement, which is being made under Rule 2.7 of the Takeover Code.

It is intended that the Combination will be effected by Bally's directly or with or through Premier Entertainment, an indirect wholly owned subsidiary, and that the Combination will be implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act, or if Bally's or Premier Entertainment elects (with the consent of the Panel, if required, and subject to the terms of the Cooperation Agreement), by a Takeover Offer.

2. The Combination

Under the terms of the Combination, which will be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, Scheme Shareholders who are on the register of members of Gamesys at the Scheme Record Time will be entitled to receive:

for each Gamesys Share 1,850 pence in cash (the "Cash Offer")

In addition, the Gamesys Board has proposed a final dividend in respect of the year ended 31 December 2020 of £30.7 million in aggregate, which, based on Gamesys' issued share capital as at the Latest Practicable Date, would equate to 28 pence per Gamesys Share (the "**Gamesys Final Dividend**") for approval by Gamesys Shareholders at Gamesys' 2021 annual general meeting (currently expected to be held in June 2021) (the "**Gamesys AGM**").

The Cash Offer, including the Gamesys Final Dividend, represents a premium of:

- approximately 14.4% to the Closing Price per Gamesys Share of 1,642 pence on 23 March 2021 (being the last Business Day prior to the commencement of the Offer Period);
- approximately 41.2% to the Closing Price per Gamesys Share of 1,330 pence on 25 January 2021 (being the last Business Day prior to Bally's initial proposal to Gamesys dated 26 January 2021); and
- approximately 36.7% to the average closing price per Gamesys Share of 1,373 pence for the three-month period ended 23 March 2021 (being the last Business Day prior to the commencement of the Offer Period) on a volume weighted average price basis.

Bally's will also make available the Share Alternative, pursuant to which Scheme Shareholders (other than Scheme Shareholders resident or located in a Restricted Jurisdiction) may elect to receive New Bally's Shares in lieu of part or all of the cash consideration to which they would otherwise be entitled under the Combination. Further details of the Share Alternative are set out in paragraph 3 below.

In addition, if the Combination has not completed before the ex-dividend date of 9 September 2021, the Gamesys Board reserves the right to declare an interim dividend for the six months ended 30 June 2021 of an aggregate amount of up to £16.4 million which, based on Gamesys' issued share capital as at the Latest Practicable Date, would equate to a dividend of up to 15 pence per Gamesys Share (the "**Second Gamesys Interim Dividend**").

The Bally's Board and the Gamesys Board have agreed that Gamesys Shareholders will be entitled to receive the Agreed Dividends, if and to the extent declared in accordance with the terms set out in this Announcement, in each case without any reduction to the Consideration payable by Bally's and Premier Entertainment under the terms of the Combination.

Further details of the Agreed Dividends and the circumstances in which they may be declared are contained in paragraph 4 below.

The Scheme Document, containing further information about the Combination, notices of the Court Meeting and the General Meeting and the expected timetable of the Scheme, together with the Forms of Proxy, the Form of Election and the Prospectus, will be published in due course. It is expected that the Court Meeting and the General Meeting will be held in the second quarter of 2021 and that, subject to the satisfaction of all relevant conditions, the Scheme will become effective during the fourth quarter of 2021.

3. Share Alternative

The Share Alternative will be made available to Scheme Shareholders (other than Scheme Shareholders resident or located in a Restricted Jurisdiction) to enable them to elect to receive New Bally's Shares instead of all or part of the cash consideration which they would otherwise be entitled to receive pursuant to the Combination, using the following exchange ratio:

for each Gamesys Share 0.343 New Bally's Shares

Based on the Closing Price of \$60.80 per Bally's Share at close of business on the Latest Practicable Date and applying the USD:GBP exchange rate quoted by Bloomberg at 5.00 p.m. Eastern Standard Time on the same date, the Share Alternative values each Gamesys Share at 1,518 pence.

Bally's and Premier Entertainment have received irrevocable undertakings from the Electing Gamesys Directors and the Electing Gamesys Shareholders to elect for the Share Alternative in respect of their entire respective beneficial holdings of 28,003,501 Gamesys Shares (representing, in aggregate, 25.6% of Gamesys' issued share capital at close of business on the Latest Practicable Date).

Entitlements to New Bally's Shares will be rounded down to the nearest whole number. Fractional entitlements to New Bally's Shares will not be allotted or issued to Gamesys Shareholders. Instead, all fractional shares which a holder of Bally's Shares would otherwise be entitled to receive will be aggregated and sold in the market with the net cash proceeds paid in lieu of such fractional entitlements to Gamesys Shareholders.

The Share Alternative is conditional upon the Combination becoming effective in accordance with its terms and will not be available to Overseas Shareholders in Restricted Jurisdictions.

The New Bally's Shares will be issued pursuant to the exemption from registration provided by Section 3(a)(10) under the US Securities Act. If, in the future, Bally's or Premier Entertainment elects (with the consent of the Panel, if required, and subject to the terms of the Cooperation Agreement) to implement the Combination by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC that will contain a prospectus with respect to the issuance of New Bally's Shares. In this event, Bally's Shareholders are urged to read those documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information. Such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to Bally's contact for enquiries identified above.

Neither the SEC nor any other state securities commission has approved or disapproved of the New Bally's Shares to be issued in connection with the Combination, or determined if this Announcement is accurate or complete. Any representation to the contrary is unlawful.

Further details of the Share Alternative, including details of those Gamesys Shareholders that will be eligible to elect for the Share Alternative, will be set out in the Scheme Document.

4. Dividends

The Gamesys Board has proposed the Gamesys Final Dividend for approval by Gamesys Shareholders at the Gamesys AGM. If the Effective Date occurs before the date of the Gamesys AGM, the Gamesys Board reserves the right instead to declare the Gamesys Final Dividend as the First Gamesys Interim Dividend.

In addition, if the Combination has not completed before the ex-dividend date of 9 September 2021 the Gamesys Board reserves the right to declare the Second Gamesys Interim Dividend.

Based on Gamesys' issued share capital as at the Latest Practicable Date:

- the Gamesys Final Dividend, or if declared, the First Gamesys Interim Dividend, would equate to a dividend of 28 pence per Gamesys Share; and
- the Second Gamesys Interim Dividend, if declared, would equate to a dividend of up to 15 pence per Gamesys Share.

If Gamesys' issued share capital changes between the Announcement Date and the record date for the relevant dividend, the amount of the relevant dividend per Gamesys Share might be different from the amounts set out above.

The Bally's Board and the Gamesys Board have agreed that Gamesys Shareholders will be entitled to receive the Agreed Dividends, if and to the extent declared in accordance with the terms set out in this Announcement, in each case without any reduction to the Consideration payable by Bally's and Premier Entertainment under the terms of the Combination.

The First Gamesys Interim Dividend, if declared, would be declared and paid in place of the Gamesys Final Dividend. Consequently, Gamesys Shareholders would not receive both the Gamesys Final Dividend and the First Gamesys Interim Dividend. In addition, if the Combination becomes effective before the ex-dividend date of 9 September 2021, the Second

Gamesys Interim Dividend would not be declared and Gamesys Shareholders would not be entitled to receive it.

If, on or after the Announcement Date and on or before the Effective Date, any dividend, distribution or other return of capital or value is declared, made or paid or becomes payable in respect of Gamesys Shares, save for the Agreed Dividends or in excess of the Agreed Dividends, Bally's and Premier Entertainment reserve the right to reduce the Consideration accordingly. In such circumstances, Gamesys Shareholders would be entitled to retain any such dividend, distribution or other return of capital or value declared, made or paid. Please refer to Part C of Appendix I for further information in this regard.

5. Background to and reasons for the Combination

Bally's believes that the online gambling and sports betting sector in the US continues to exhibit many characteristics that are structurally attractive with a steep anticipated growth trajectory as favourable regulatory progress throughout the US leads to the opening of new sports betting and iGaming markets. This opportunity is reflected in industry analysts estimating a potential total addressable market size in excess of US\$45 billion. Bally's believes that having a combination of both proven, developed technology and land-based platforms across key US states, with global brands, existing customer bases and complementary product offerings will be key to taking advantage of these growth opportunities. The following factors have also been taken into consideration by Bally's in connection with the Combination:

- Bally's believes that the Combination represents a compelling strategic and financial opportunity to improve the offering and experience for customers;
- the Combination would accelerate Bally's long-term growth strategy, the objective of which is to become the premier, truly integrated, omni-channel US gaming company with a B2B2C business;
- Gamesys' existing platform would benefit from Bally's fast-growing land-based and online platform in the US, providing market access through Bally's operations in key states as the nascent iGaming and sports betting opportunity develops at this pivotal moment in the market's evolution;
- Bally's would benefit from Gamesys' proven technology platform, expertise and highly respected and experienced management team. These offerings, integrated with Bally's online sports betting platform via the pending Bet.Works acquisition and the transformational media partnership with Sinclair Broadcast Group, would place the Combined Group in a strong position to capitalise on the quickly developing US online market;
- the Combination would create one of the broadest portfolios in market of omni-channel cross-sell opportunities with land-based gaming, online sports betting, iCasino, poker, bingo, daily fantasy sports and free-to-play games;
- the Combination would create significant value for Bally's by bringing in house a technology platform to further build out iGaming offerings and create a unified player development database;
- the Combined Group is expected to be highly cash flow generative, enabling it to pursue growth opportunities through reinvestment and strategic M&A. The greater number of registered accounts and monthly active customers that would result from the Combination, together with a more diversified player community and an enhanced customer database, will, in Bally's view, create opportunities to increase growth and profitability; and

- the Combined Group will be committed to responsible gaming and industry leadership in environmental, social and corporate governance efforts, including targeting carbon neutrality and good corporate governance.

6. Recommendation by the Gamesys Directors

The Gamesys Directors, who have been so advised by Macquarie Capital as to the financial terms of the Cash Offer, unanimously consider the terms of the Cash Offer to be fair and reasonable. In providing its advice to the Gamesys Directors, Macquarie Capital has taken into account the commercial assessments of the Gamesys Directors. Macquarie Capital is providing independent financial advice to the Gamesys Directors for the purpose of Rule 3 of the Takeover Code.

Accordingly, the Gamesys Directors intend unanimously to recommend that Gamesys Shareholders vote, or procure the vote, in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting as the Gamesys Directors who hold Gamesys Shares have irrevocably undertaken to do in respect of their own beneficial holdings (and those of certain of their close relatives and related trusts) of Gamesys Shares amounting, in aggregate, to 2,825,711 Gamesys Shares (representing 2.6% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date), or, if the Combination is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer. The Electing Gamesys Directors and a related trust of Keith Laslop have also irrevocably undertaken to elect for the Share Alternative in respect of their entire (or, in respect of the related trust of Keith Laslop, part of its) beneficial holdings of Gamesys Shares amounting, in aggregate, to 1,783,276 Gamesys Shares (representing 1.6% of Gamesys' issued ordinary share capital as at close of business on the Latest Practicable Date). All of these undertakings remain binding even in the event of a higher competing offer.

The Gamesys Directors and (in providing their advice to the Gamesys Directors) Macquarie Capital express no view as to the Share Alternative in this Announcement. It is intended that their views in this regard will be provided in the Scheme Document. Gamesys Shareholders are advised to consider whether New Bally's Shares are a suitable investment in light of their own circumstances and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice appropriate to their own particular circumstances and investment objectives before deciding whether they wish to elect for the Share Alternative, as well as giving full consideration to the information in this Announcement, the Scheme Document and any other transaction documents (when published).

7. Background to and reasons for the recommendation by the Gamesys Directors

Gamesys is a leading online gaming operator, having created a strong market position in online casino and online bingo through its focus on customer experience, technology, content and operations. Following the combination of JPJ Group plc and Gamesys in September 2019, Gamesys has become a leading operator in the UK and Japan.

Gamesys expects the United States to become the world's largest regulated online gaming market over the next several years, and it has been pursuing several strategies to position itself to be a leader in this fast-growing market. These initiatives led to discussions with Bally's about potential commercial partnerships.

These initial discussions developed into exploring a more comprehensive transaction regarding a strategic combination of the two groups which commenced in December 2020. On 26 January 2021, Bally's made a non-binding proposal relating to a combination with Gamesys. Since this date the parties have engaged in reciprocal confirmatory due diligence.

The Gamesys Directors, together with Gamesys' financial adviser, Macquarie Capital, have considered the proposed Combination with regard to price, structure, deliverability and with reference to the range of strategic options available to Gamesys.

While the Gamesys Directors believe that Gamesys would have a strong future as an independent listed company, they acknowledge the benefits of the Combination, including:

- immediate market access to 11 US states for online gaming and sports betting;
- the creation of a US omni-channel gaming business, which may reduce the cost of customer acquisition through Bally's customer database of approximately 15 million members;
- a strong US gaming brand in Bally's, which has been enhanced through its partnership with Sinclair Broadcast Group, Inc., through which Bally's rebranded regional sports networks reach approximately 70% of US households;
- the addition of sports betting technology through Bally's acquisition of Bet.Works Corp. which is expected to complete in the first half of 2021; and
- significant combined cash flow to reinvest in the US market.

The Gamesys Directors welcome Bally's stated intentions concerning Gamesys' management and employees which are explained in paragraph 13 below. In particular, the Gamesys Directors are pleased that Lee Fenton, the current CEO of Gamesys, will serve as Group CEO of the Combined Group. The Gamesys Directors also note the importance that Bally's places on the skills and experience of Gamesys' employees as well as their intention to fully safeguard the existing contractual and statutory employment rights, including in relation to pensions, of all Gamesys management and employees in accordance with applicable law.

In assessing the terms of the Combination, the Gamesys Directors considered the availability of the Cash Offer, which would provide Gamesys Shareholders with the opportunity to receive an immediate and certain value in cash, while also providing the option for Gamesys Shareholders to receive equity in the Combined Group in lieu of the cash consideration.

In addition, the Gamesys Directors note that the terms of the Cash Offer, including the Gamesys Final Dividend, represent a premium of:

- approximately 14.4% to the Closing Price per Gamesys Share of 1,642 pence on 23 March 2021 (being the last Business Day prior to the commencement of the Offer Period);
- approximately 41.2% to the Closing Price per Gamesys Share of 1,330 pence on 25 January 2021 (being the last Business Day prior to Bally's initial proposal to Gamesys dated 26 January 2021); and
- approximately 36.7% to the average closing price per Gamesys Share of 1,373 pence for the three-month period ended 23 March 2021 (being the last Business Day prior to the commencement of the Offer Period) on a volume weighted average price basis.

Accordingly, the Gamesys Directors intend unanimously to recommend the Cash Offer to Gamesys Shareholders as set out in paragraph 6 above.

8. Irrevocable undertakings from Gamesys Shareholders

In addition to the irrevocable undertakings given by the Gamesys Directors who hold Gamesys Shares, Bally's has also received irrevocable undertakings from certain other Gamesys Shareholders to vote, or procure the vote, in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting in respect of their entire beneficial holdings (and those of certain of their close relatives and related trusts) of Gamesys Shares amounting, in aggregate, to 33,676,449 Gamesys Shares (representing 30.8% of Gamesys' issued ordinary share capital at close of business on the Latest Practicable Date), or, if the Combination is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer.

The Electing Gamesys Shareholders have also irrevocably undertaken to elect for the Share Alternative in respect of their entire (or, in respect of Michael Mee, part of his) beneficial holdings (and those of certain of their close relatives and related trusts) of Gamesys Shares amounting,

in aggregate, to 26,220,225 Gamesys Shares (representing 23.9% of Gamesys' issued ordinary share capital at close of business on the Latest Practicable Date).

Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

9. Bally's Shareholder Meeting and Bally's voting undertakings

Under NYSE rules, the Share Alternative will require the approval of the issuance of New Bally's Shares by Bally's Shareholders at the Bally's Shareholder Meeting.

The Bally's Directors intend unanimously to recommend that Bally's Shareholders vote in favour of the approval of the relevant proposals at the Bally's Shareholder Meeting. Bally's and Gamesys have entered into a voting agreement with certain Bally's Directors and officers of Bally's who hold Bally's Shares, pursuant to which they have irrevocably undertaken to vote in favour of the relevant proposals at the Bally's Shareholder Meeting in respect of their beneficial and of record holdings (and those of certain of their connected persons) of Bally's Shares amounting, in aggregate, to 801,917 Bally's Shares (representing 2.5% of the outstanding issued share capital of Bally's as at the Latest Practicable Date).

10. Information about Bally's

Bally's is listed on the New York Stock Exchange (NYSE) and its shares trade under the ticker symbol "BALY".

Bally's is a leading owner and operator of land-based casinos in the US. Bally's currently owns and manages 13 properties: 12 casinos across eight states, a horse racetrack and 13 authorised off-track betting licenses in Colorado. With over 6,000 employees, Bally's operations include 13,308 slot machines, 460 game tables and 3,342 hotel rooms. Following the completion of pending acquisitions, as well as the construction of a land-based casino in Centre County, Pennsylvania, Bally's will own and manage 15 casinos across 11 US states.

In November 2020, Bally's announced that it had entered into a definitive agreement to acquire Bet.Works, a US based, sports betting platform provider to operators in New Jersey, Iowa, Indiana and Colorado. Upon acquiring Bet.Works' proprietary technology stack and turnkey solutions, which include marketing, operations, customer service, risk management and compliance, Bally's believes it will position it to become a leading, full-service, vertically integrated sports betting and iGaming company in the US with physical casinos and online gaming solutions united under a single, leading brand, thus enabling it to launch its B2B2C business model.

In November 2020, Bally's announced a long-term strategic partnership with Sinclair Broadcast Group that combines its vertically-integrated, proprietary sports betting technology and expansive market access footprint with Sinclair's portfolio of local broadcast television stations and live regional sports networks, the STIRR streaming service, the Tennis Channel and digital and over-the-air television network Stadium.

Bally's recent acquisitions of Monkey Knife Fight and SportCaller provide Bally's with digital/interactive footprints, provide access to the potentially lucrative interactive mobile sports betting and iGaming markets and diversify it from a financial standpoint.

In addition, on April 13, 2021, Bally's agreed to purchase the Tropicana Las Vegas, Nevada casino from Gaming and Leisure Properties, Inc. ("GLPI"), a publicly traded gaming focused real estate investment. Bally's estimates the transaction to be valued at approximately \$300 million. The purchase price for the Tropicana property's non-land assets is \$150 million. In addition, Bally's has agreed to lease the land underlying the Tropicana property from GLPI for an initial term of 50 years at annual rent of \$10.5 million, subject to increase over time. Bally's and GLPI will also enter into a sale-and-leaseback transaction relating to Bally's Black Hawk, CO and Rock Island, IL casino properties for a cash purchase price of \$150 million payable by GLPI. The lease will have initial annual fixed rent of \$12 million, subject to increase over time.

Bally's and GLPI have agreed to use commercially reasonable efforts to negotiate and enter into definitive documents with respect to these transactions as promptly as practicable in order to fully reflect the contemplated terms.

Bally's aims to continue to grow the business by actively pursuing the acquisition and development of new gaming opportunities and reinvesting in existing operations. Bally's believes that interactive gaming, including mobile sports betting and iGaming represents a significant strategic opportunity for its future growth. In addition, it seeks to increase revenues at its brick and mortar casinos through enhancing the guest experience by providing popular games, restaurants, hotel accommodations, entertainment and other amenities in attractive surroundings with high-quality guest service.

For the year ended 31 December 2019, Bally's achieved an aggregate adjusted EBITDA of \$300 million (this figure includes Bally's 2019 aggregate adjusted EBITDA of \$167 million, and the completed and pending casino acquisitions in 2019 and 2020 that collectively generated \$133 million of adjusted EBITDA in 2019). Bally's cannot give any assurance that any of the pending acquisitions will be consummated on the anticipated timeframe or at all. Aggregate Adjusted EBITDA for 2019 is a non-GAAP measure and has not been calculated on a basis compliant with US or UK requirements for pro forma financial statements.

Through its subsidiaries, Gamesys currently offers bingo and casino games to its players using brands which include Jackpotjoy, Virgin Games, Botemania, Vera&John, Heart Bingo, Megaways, Rainbow Riches Casino and Monopoly Casino, and focuses on building its diverse portfolio of distinctive and recognisable brands that deliver best-in-class player experience and gaming content.

As a leading international online gaming operator, Gamesys' market position and diverse customer base (both geographically and demographically) positions Gamesys strongly against its competitors in addition to providing Gamesys with significant opportunities to deliver further growth. Gamesys' core brands have historically demonstrated significant rates of customer retention, achieved through a combination of Gamesys' diverse and engaging range of tailored content, strong customer relationship management and player engagement capabilities and its multi-brand strategy, which enables Gamesys to offer players a bespoke proposition catering for different player demographics and styles of play, as well as providing Gamesys with cross-marketing opportunities to improve the ultimate value derived from players.

Gamesys is well-capitalised and has demonstrated a strong track record of cash generation, with operating cash flow of £214.4 million for the year ended 31 December 2020. During the same period, Gamesys achieved annual revenues of £727.7 million (representing growth on a pro forma basis of 29% compared to 2019) and an adjusted EBITDA of £206.2 million (representing growth on a pro forma basis of 30% compared to 2019).

Gamesys is today publishing its first quarter results for 2021.

13. Directors, management, employees, research and development and locations

Bally's strategic plans for Gamesys

Bally's believes that the Combined Group has a compelling strategic and financial rationale, would create long-term value for both Gamesys and Bally's and would be consistent with Bally's long-term growth strategy, the objective of which is to create a leading, truly integrated, omni-channel US gaming company with a B2B2C business.

Gamesys would benefit from Bally's fast-growing land-based and online platform in the US, providing market access through Bally's operations in critical states as the nascent iGaming and sports betting opportunity develops in the United States. Bally's would benefit from Gamesys' proven technology platform, expertise and highly respected and experienced management team across the online gaming field. The Combined Group would be able to capitalise on the full range of opportunities available both in the US and beyond.

The Combination will also align with Bally's previously announced plan to split Bally's into two divisions: "Bally's Casinos," comprising Bally's physical gambling and entertainment properties, and "Bally's Interactive," which will include new and existing contracts for sports betting and internet gambling, including all of Bet.Works' sports betting operations, Monkey Knife Fight and SportCaller. As part of the transaction, Bally's anticipates that it will welcome Gamesys and its employees to Bally's Interactive.

Employees and management

Bally's attaches great importance to the skill and experience of Gamesys' management and employees and recognises their important contribution to what has been achieved by Gamesys.

Bally's believes that retaining key staff within Gamesys is important and has given assurances to the Gamesys Board that, following completion of the Combination, the existing employment rights, including pension rights, of the management and employees of Gamesys and its subsidiaries will be fully safeguarded in accordance with applicable law.

Bally's plans for the Gamesys Group do not involve any material change in overall headcount, conditions of employment of Gamesys' employees, or in the balance of the skills and functions of Gamesys' employees and management.

Following the proposed de-listing of Gamesys Shares and re-registration of Gamesys as a private limited company (as further described in paragraph 19 below), Bally's expects to review Gamesys' corporate headquarters and support functions, including certain functions relating to Gamesys' status as a public listed company, to determine when and how to combine such functions with the equivalent functions of Bally's. Consequently, a limited number of those functions might no longer be required, although Bally's has not made any definite plans in this regard.

It is intended that Gamesys' CEO, Lee Fenton, will become the CEO of the Combined Group and that Robeson Reeves, Gamesys' COO, and Jim Ryan, a non-executive director of Gamesys, will join the Bally's Board. It is also intended that Bally's CEO, George Papanier, will remain a member of the Bally's Board and the senior executive running the retail casino business.

It is intended that, upon completion of the Combination, each of the non-executive members of the Gamesys Board will resign as directors of Gamesys.

Pension schemes

Gamesys does not have a defined benefit pension scheme. It does, however, operate a defined contribution plan. Bally's does not intend to make any changes to this plan and intends that contributions be made to this plan in accordance with applicable law.

Incentivisation and retention arrangements

Bally's has not entered into, and has not had any discussions on proposals to enter into, any form of incentivisation arrangements with members of management of Gamesys. Nor has it

agreed or entered into any arrangements with any of the Gamesys executive directors who are expected to join the Bally's Board and/or management team following completion of the Combination with regard to any changes to their existing terms of employment. Bally's does not intend to put in place any such arrangements before completion of the Combination.

Locations of business, fixed assets and headquarters

Following completion of the Combination, Gamesys' existing headquarters premises will continue to be utilised, but the headquarters of the Combined Group will be located in Providence, Rhode Island, USA. There is expected to be no material change in headcount at Gamesys' existing headquarters, except in respect of limited functions relating to Gamesys' status as a listed company which will be reviewed following the de-listing of Gamesys Shares.

Bally's has no plans to change the locations of business and fixed assets of Gamesys beyond any ordinary course changes planned by the current management of Gamesys.

Research and Development

Bally's values the investment that Gamesys has made in its technology and the infrastructure and expertise in place within the Gamesys Group to create, maintain and enhance existing product offerings. Bally's believes that it is important for the long-term success of the Combined Group and for customer satisfaction to maintain a leading product offering and intends to invest in this area following completion of the Combination through the existing Gamesys infrastructure. Bally's plans do not involve any material change to the research and developments functions of the Gamesys Group.

Trading Facilities

Gamesys is currently listed on the Official List and, as explained in paragraph 19 below, a request will be made to the London Stock Exchange to cancel trading in Gamesys Shares and de-list Gamesys from the Official List from or shortly after the Effective Date. Gamesys will then be re-registered as a private company following the Effective Date.

Views of the Gamesys Board

In considering the recommendation of the Combination to Gamesys Shareholders, the Gamesys Directors have given due consideration to Bally's intentions for the business, management, employees and locations of business of Gamesys.

The Gamesys Directors welcome Bally's intention that, following completion of the Combination, the existing contractual and statutory employment rights, including in relation to pensions, of all Gamesys management and employees will be fully safeguarded in accordance with applicable law.

14. Gamesys Share Plans

Participants in the Gamesys Share Plans and SIP will be contacted regarding the effect of the Combination on their rights under the Gamesys Share Plans and SIP and appropriate proposals will be made to such participants in the Gamesys Share Plans in due course. Further details of the terms of such proposals will be included in the Scheme Document.

15. Warrant Instrument

The Warrantholder will be contacted regarding the effect of the Combination on its rights under the Warrant Instrument and an appropriate proposal will be made to the Warrantholder consistent with its rights under the Warrant Instrument.

16. Financing

Premier Entertainment has entered into a commitment letter and interim facilities agreement ("**IFA**") for a bridge loan to be provided by Deutsche Bank Aktiengesellschaft, London Branch, Goldman Sachs Bank USA and Barclays Bank PLC to satisfy the cash element of the Consideration. The maximum cash consideration payable to Gamesys shareholders if only the Electing Gamesys Directors and the Electing Gamesys Shareholders elect for the Share Alternative would be £1.6 billion.

In connection with the IFA, Bally's has entered into a commitment letter with GLPI under which GLPI has committed to purchase Bally's Shares, or, subject to US regulatory requirements, warrants, with a value of up to \$500 million. The Bally's Shares will be valued based on a volume weighted average sales prices for the 20 trading days before issue. GLPI may elect to fund its commitment to Bally's, rather than by acquiring equity in Bally's, in the form of an advance deposit of the purchase price payable by GLPI in connection with prepaid sale leaseback transaction(s) with respect to certain designated Bally's properties, or in the form of one or more interest-bearing loan instruments that will be secured by Bally's real estate assets on a subordinated basis.

Bally's intends to seek to finance the cash element of the Consideration and refinance Gamesys' existing debt (and thereby reduce or eliminate the need for borrowings under the IFA or GLPI commitment) after the Announcement Date and prior to the Effective Date through one or more capital market transactions, which could include public or private offerings of Bally's Shares or other securities, and a new company-wide bank credit facility. It is intended that the initial offering (the "**Initial Offering**"), which will be announced shortly after the release of this Announcement, will comprise an offering of common stock and tangible equity units for a total price to the public of approximately \$850 million subject to a customary underwriter overallotment. A prospectus supplement in relation to the Initial Offering will be available at: <https://www.sec.gov/cgi-bin/browse-edgar?CIK=0001747079&owner=exclude> when published. There can be no assurances to the timing, terms or success of such capital markets transactions as are referred to above.

Bally's objective is to maintain its historically conservative capitalisation policies, providing it with the stability and financial flexibility to continue to pursue a disciplined omni-channel gaming and entertainment growth strategy. Bally's focusses on moderate leverage and ample liquidity, with a target long-term net leverage ratio in a range of 4.0x to 4.5x.

Deutsche Bank, financial adviser to Bally's and Premier Entertainment, is satisfied that sufficient resources are available to satisfy in full the cash consideration payable to Gamesys Shareholders under the terms of the Combination.

Updated information on the financing of the Combination is expected to be contained in the Scheme Document.

Under the terms of the IFA, except (i) with the consent of the lenders under the IFA, (ii) where required by the Panel, or (iii) where necessary to comply with the Takeover Code or other applicable law, Premier Entertainment may not waive, or, where it would, pursuant to Rule 13.5(a) of the Takeover Code and with the consent of the Panel, be entitled to invoke a Condition so as not to proceed with, lapse or withdraw the Combination, treat as satisfied, any material Condition to the extent that it would be materially prejudicial to the interests of the lenders under the IFA.

17. Offer-related Arrangements

Confidentiality Agreement

Bally's and Gamesys entered into a confidentiality agreement on 2 January 2021 (the "**Confidentiality Agreement**") pursuant to which each of Bally's and Gamesys has undertaken to the other to (i) keep confidential certain information related directly or indirectly to the Combination and not to disclose it to third parties (other than to permitted recipients) and (ii)

use any confidential information disclosed pursuant to the Confidentiality Agreement only in connection with the Combination, subject to certain exceptions.

These confidentiality obligations will remain in force until the earlier of 30 June 2022 and the Effective Date.

The Confidentiality Agreement also includes customary non-solicitation obligations on both parties valid for twelve months from the date of the Confidentiality Agreement.

Confidentiality and Joint Defence Agreement

Bally's, Gamesys and their respective external legal counsels entered into a confidentiality and joint defence agreement (the "**Confidentiality and Joint Defence Agreement**") dated 2 March 2021 the purpose of which is to ensure that the exchange and/or disclosure of certain materials relating to the parties only takes place between their respective external legal counsels and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of privilege, right or immunity that might otherwise be available.

Cooperation Agreement

On the date of this Announcement, Bally's and Gamesys entered into a cooperation agreement (the "**Cooperation Agreement**"), pursuant to which, among other things, they have agreed to cooperate for the purposes of obtaining all Authorisations and preparing the Scheme Document, the Bally's Proxy Statement and the Prospectus.

Bally's has agreed to use its reasonable endeavours to obtain all such Authorisations in sufficient time to enable the Effective Date to occur by the Long Stop Date. Gamesys and Bally's have agreed to certain undertakings to cooperate and provide each other with reasonable information, assistance and access in relation to the filings, submissions and notifications to be made in relation to such Authorisations necessary to satisfy certain regulatory conditions as well as the key shareholder documentation.

The Cooperation Agreement will terminate in certain circumstances including, among other things: (1) if agreed in writing between Bally's and Gamesys; (2) if the Effective Date has not occurred by the Long Stop Date; or (3) upon written notice by Gamesys to Bally's or Bally's to Gamesys if: (a) the Combination is withdrawn, terminated or lapses before the Long Stop Date (subject to certain exceptions); (b) Bally's decides, without the consent of Gamesys, to implement the Combination by way of a Takeover Offer; (c) the Scheme or the Resolutions (as applicable) are not approved by the requisite majorities of Gamesys Shareholders, or the Court refuses to sanction the Scheme, and in each case Gamesys does not consent within two Business Days of Bally's request to implement the Combination as a Takeover Offer; (d) the Combination is not approved by the requisite majority of Bally's Shareholders; or (e) the Gamesys Board or the Bally's Board (as applicable) announce their intention to: (i) withdraw or adversely qualify or modify their recommendation of the Combination; (ii) not convene the Court Meeting, the General Meeting or the Bally's Shareholder Meeting; or (iii) not post the Scheme Document or the Bally's Proxy Statement.

Gamesys also has the right to terminate the Cooperation Agreement if: (1) the Bally's Shareholder Meeting is not held on or before the 22nd day after the expected date of such meeting as set out in the Bally's Proxy Statement and/or the Prospectus (or such later date as the parties may agree) or (2) the Bally's Board withdraws, or the Bally's Proxy Statement does not include, the Bally's Board's recommendation to vote in favour of the shareholder resolutions necessary to approve the issuance of the New Bally's Shares.

Bally's has the right to terminate the Cooperation Agreement if: (1) the Court Meeting, the General Meeting or the Sanction Hearing is/are not held on or before the 22nd day after the expected date of such meeting or hearing as may be set out in the Scheme Document (or such later date as may be agreed between the parties); (2) the Gamesys Board withdraws, qualifies or adversely modifies its recommendation of the Combination; (3) after approval of the Resolutions, other than where an Agreed Switch (as defined in the Cooperation Agreement)

occurs but without prejudice to Bally's rights to terminate the Cooperation Agreement under any other provision of the Cooperation Agreement, Gamesys Directors announce that they will not implement the Scheme; (4) the Scheme Document does not include the Gamesys Board's recommendation to Gamesys Shareholders to vote in favour of the Scheme and the Resolutions; or (5) a competing transaction is either recommended by the Gamesys Board or completes, becomes effective or is declared or becomes unconditional in all respects.

The Cooperation Agreement records Bally's and Gamesys' intention to implement the Combination by way of a Scheme, subject to the ability of Bally's to implement the Combination by way of a Takeover Offer in the circumstances described in paragraph 18 below.

The Cooperation Agreement also contains provisions that will apply in respect of certain employee-related matters and the Gamesys Share Plans.

The foregoing summary of the Cooperation Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the text of the Cooperation Agreement, which is available for inspection as described in paragraph 22.

Lock-Up Agreement

Lee Fenton has entered into a lock-up agreement (the "**Lock-Up Agreement**") pursuant to which for six months after the Effective Date, he may not sell New Bally's Shares received by him as consideration pursuant to the Combination. The Lock-Up agreement is subject to customary exceptions and Lee Fenton would be entitled to sell up to 10% of his holding of New Bally's Shares, subject to normal US insider restrictions.

18. Structure of, and Conditions to, the Combination

It is intended that the Combination will be effected by means of a Court-approved scheme of arrangement between Gamesys and the Scheme Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Bally's and Premier Entertainment to acquire the entire issued and to be issued ordinary share capital of Gamesys. This would be achieved by the transfer of the Scheme Shares to Bally's and Premier Entertainment, in consideration for which the Scheme Shareholders who are on the register of members of Gamesys at the Scheme Record Time will receive the Consideration on the basis set out in this Announcement and to be set out in the Scheme Document.

The Combination will become effective only if, among other things, the following events occur on or before the Long Stop Date:

- the approval of the Scheme by a majority in number of the Scheme Shareholders who are present and voting, whether in person or by proxy, at the Court Meeting and who represent 75% or more in value of the Scheme Shares voted by those Scheme Shareholders;
- the Resolutions being duly passed by Gamesys Shareholders representing the requisite majority or majorities of votes cast at the General Meeting;
- each of the Court Meeting, the General Meeting and the Court Hearing being held on or before the 22nd day after the expected date for each such meeting or hearing, respectively, to be set out in the Scheme Document in due course or, in any such case, such later date as Bally's or Premier Entertainment and Gamesys may agree and, if required, the Court may allow;
- the approval of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to Gamesys and Bally's or Premier Entertainment);

- the delivery of a copy of the Court Order to the Registrar of Companies;
- the FCA having approved the Prospectus;
- approval of the New Bally's Shares for listing on the NYSE, subject to official notice of issuance;
- the issue of the New Bally's Shares having been approved by Bally's Shareholders at the Bally's Shareholder Meeting; and
- certain foreign direct investment and regulatory approvals, including relevant gaming regulatory consents and approvals in the UK, certain US states and certain other jurisdictions in which Bally's or Gamesys have licences.

The Scheme will lapse if it does not become effective by the Long Stop Date.

The deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing as set out above may be waived by Bally's or Premier Entertainment, and the Long Stop Date may be extended by agreement between Gamesys and Bally's or Premier Entertainment (with the Panel's consent and as the Court may approve (if such consent and/or approval is required)).

Upon the Scheme becoming effective, it will be binding on all Gamesys Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting. Each of Bally's and Premier Entertainment reserve the right to elect (with the consent of the Panel, if required, and subject to the terms of the Cooperation Agreement) to implement the Combination by way of a Takeover Offer for the entire issued and to be issued share capital of Gamesys as an alternative to the Scheme.

In such an event, a Takeover Offer will be implemented on substantially the same terms (subject to appropriate amendments, including, if the Panel so agrees, an acceptance condition set at up to 90% of the shares to which such Takeover Offer relates or such lesser percentage, being more than 50%, as Bally's or Premier Entertainment may decide), so far as applicable, as those which would apply to the Scheme.

If the Combination is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Bally's intends that: (1) applications would be made to the London Stock Exchange for the cancellation of trading of the Gamesys Shares on the London Stock Exchange's market for listed securities and to the FCA for the cancellation of the listing of Gamesys Shares on the Official List and (2) to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining Gamesys Shares in respect of which the Takeover Offer has not been accepted.

19. De-listing and re-registration

Before the Scheme becomes effective, it is intended that Gamesys will make an application for the cancellation of trading of the Gamesys Shares on the London Stock Exchange's main market for listed securities and an application to the FCA for the cancellation of the listing of Gamesys Shares on the Official List, in each case to take effect on or shortly after the Effective Date. The last day of dealings in Gamesys Shares on the main market of the London Stock Exchange is expected to be the Business Day immediately before the Effective Date and no transfers will be registered after 6.00 p.m. on that date.

On the Effective Date, share certificates in respect of Gamesys Shares will cease to be valid and entitlements to Gamesys Shares held within the CREST system will be cancelled.

Following the Effective Date, and after its shares are delisted, Premier Entertainment intends to re-register Gamesys as a private limited company.

20. Disclosure of interests in Gamesys

Bally's made an Opening Position Disclosure, setting out the details required to be disclosed by it under Rule 8.1(a) of the Takeover Code, on 8 April 2021.

As at the close of business on the Latest Practicable Date, none of Bally's, Premier Entertainment or any person acting in concert (which has the meaning given in the Takeover Code) with either of them: (1) had any interest in or right to subscribe for or had borrowed or lent any Gamesys Shares or securities convertible or exchangeable into Gamesys Shares, or (2) had any short positions in respect of relevant securities of Gamesys (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery, or (3) had borrowed or lent any relevant securities of Gamesys (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code) save for any borrowed shares which have been either on-lent or resold, or (4) is a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Combination are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Combination (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from such jurisdictions where to do so would violate the laws in those jurisdictions. If the Combination is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), such Takeover Offer may not be made available directly or indirectly, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction.

The availability of the Cash Offer and the Share Alternative to Gamesys Shareholders who are not resident in the United Kingdom (and, in particular, their ability to vote their Scheme Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf) may be affected by the laws of the relevant jurisdictions in which they are resident. The Combination will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange and the FCA. Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if applicable, the offer document).

This Announcement does not constitute a prospectus or prospectus exempted document.

Additional information for US investors in Gamesys

The Combination relates to shares of an English company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act of 1934 (the "**US Exchange Act**") and other requirements of US law.

Instead, the Combination is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. Neither the US Securities and Exchange Commission (the "**SEC**"), nor any securities commission of other jurisdictions, has approved or disapproved of the Combination, passed upon the fairness of the Combination or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is unlawful.

The New Bally's Shares have not been registered under the US Securities Act of 1933 (the "**US Securities Act**") and will be issued pursuant to the exemption from registration provided by Section 3(a)(10) under the US Securities Act. If, in the future, Bally's or Premier Entertainment exercises its right to implement the Combination by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC that will contain a prospectus with respect to the issuance of New Bally's Shares under the US Securities Act. In this event, Gamesys Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they would contain important information, and such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to Bally's contact for enquiries identified above.

New Bally's Shares issued to persons other than "affiliates" of Bally's (defined as certain control persons, within the meaning of Rule 144 under the US Securities Act) will be freely transferable under US law after the Combination. Persons (whether or not US persons) who are or will be "affiliates" of Bally's within 90 days prior to, or of the Combined Group after, the Effective Date will be subject to certain transfer restrictions relating to the New Bally's Shares under US law.

In addition, if Bally's exercises its right to implement the Combination by way of a Takeover Offer, which is to be made into the US, such Takeover Offer will be made in compliance with the applicable US laws and regulations, including Section 14(e) and Regulation 14E under the US Exchange Act.

If the Combination is implemented by way of Takeover Offer, in accordance with, and to the extent permitted by, the Takeover Code and normal UK market practice, Deutsche Bank and their respective affiliates may continue to act as exempt principal traders or exempt market makers in Gamesys Shares

on the London Stock Exchange and will engage in certain other purchasing activities consistent with their respective normal and usual practice and applicable law, as permitted by Rule 14e-5(b)(9) under the US Exchange Act. In addition, in accordance with normal United Kingdom practice, Bally's, Premier Entertainment or their nominees or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Gamesys outside of the US, other than pursuant to the Combination, until the date on which the Combination and/or Scheme becomes effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including United Kingdom laws and the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. To the extent that such information is required to be publicly disclosed in the United Kingdom in accordance with applicable regulatory requirements, this information will, as applicable, also be publicly disclosed in the United States.

The receipt of cash consideration by a Gamesys Shareholder for the transfer of its Gamesys Shares pursuant to the Scheme will be a taxable transaction for United States federal income tax purposes and under applicable US state and local, as well as overseas and other, tax laws. The receipt of New Bally's Shares may also be taxable for such purposes. In certain circumstances, Gamesys Shareholders that are not US persons and that receive cash consideration pursuant to the Scheme may be subject to US withholding tax. Each Gamesys Shareholder is urged to consult an independent professional adviser regarding the applicable tax consequences of the Combination, including under applicable United States, state and local, as well as overseas and other, tax laws.

Financial information relating to Gamesys included in this Announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom.

Gamesys is incorporated under the laws of England and Wales. In addition, some of its officers and directors reside outside the United States. Some or all of its assets are or may be located in jurisdictions outside the United States. Therefore, it may be difficult for US holders of Gamesys Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Combination, since investors may have difficulty effecting service of process within the United States upon those persons or recovering against Gamesys or its officers or directors on judgments of United States courts, including judgments based upon the civil liability provisions of the United States federal securities laws. It may not be possible to sue Gamesys or its officers or directors in a non-US court for violations of the US securities laws.

Additional information about Bally's

This Announcement may be deemed to be solicitation material in respect of the Combination, including the issuance of the New Bally's Shares. In connection with the foregoing proposed issuance of New Bally's Shares, Bally's expects to file a proxy statement with the SEC. To the extent Bally's effects the Combination as a Scheme under English law, the issuance of New Bally's Shares would not be expected to require registration under the US Securities Act pursuant to an exemption provided by Section 3(a)(10) of the US Securities Act. If Bally's or Premier Entertainment elects (with the consent of the Panel, if required, and subject to the terms of the Cooperation Agreement) to implement the Combination by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC containing a prospectus with respect to the New Bally's Shares and include appropriate additions and amendments to the Conditions to reflect any additional related requirements. **BALLY'S INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THESE MATERIALS (INCLUDING ANY AMENDMENTS OR SUPPLEMENTS THERETO) AND ANY OTHER RELEVANT DOCUMENTS IN CONNECTION WITH THE COMBINATION THAT BALLY'S WILL FILE WITH THE SEC WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT BALLY'S, THE PROPOSED ISSUANCE OF THE NEW BALLY'S SHARES, AND THE COMBINATION.** A proxy statement filed on

Schedule 14A, the registration statement/prospectus filed on Form S-4, in each case as applicable and other relevant materials in connection with the proposed issuance of New Bally's Shares and the Combination (when they become available), and any other documents filed by Bally's with the SEC, may be obtained free of charge at the SEC's website at www.sec.gov. In addition, investors and security holders may obtain free copies of the documents filed with the SEC at Bally's website, www.ballys.com, or by contacting our Investor Relations department in writing at Investor Relations, 100 Westminster Street, Providence, Rhode Island 02903.

Bally's, the Bally's Directors and Bally's executive officers may be deemed to be participants in the solicitation of proxies from Bally's Shareholders with respect to the Combination, including the proposed issuance of New Bally's Shares. Information about the Bally's Directors and Bally's executive officers and their ownership of Bally's Shares is set forth in Bally's Annual Report on Form 10-K for the fiscal year ended 31 December 2020, which was filed with the SEC on 10 March 2021 and Bally's proxy statement for its 2020 Annual Meeting of Shareholders, which was filed with the SEC on 8 April 2020. Information regarding the identity of the potential participants, and their direct or indirect interests in the solicitation, by security holdings or otherwise, will be set forth in the proxy statement and/or prospectus and other materials to be filed with the SEC in connection with the Combination and issuance of New Bally's Shares.

In accordance with applicable US state gaming regulatory requirements, Bally's charter documents contain certain restrictions pertaining to the acquisition, transfer and ownership of Bally's Shares. These restrictions include a requirement that a person seeking to acquire Bally's Shares constituting 5% or more of Bally's Shares first be found suitable and/or obtain a license from the appropriate gaming regulators to hold such Bally's Shares and a requirement that a holder of Bally's Shares, regardless of percentage, is subject to applicable gaming laws and must divest its Bally's Shares in the event it is disqualified or determined to be unsuitable.

Forward-looking statements

This Announcement (including information incorporated by reference in the Announcement), oral statements made regarding the Combination, and other information published by Bally's, Premier Entertainment and Gamesys contains certain forward-looking statements, beliefs or opinions with respect to the financial condition, results of operations and business of Bally's, Premier Entertainment and Gamesys. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts.

Forward-looking statements may often, but not always, be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "hopes," "anticipates," "aims," "plans," "estimates," "projects," "targets," "intends," "forecasts," "outlook," "impact," "potential," "confidence," "improve," "continue," "optimistic," "deliver," "comfortable," "trend," "seeks," or variations of such words or statements that certain actions, events or results "could," "should," "would" or "might" be taken, occur or be achieved or the negative of such terms or other variations on such terms or comparable terminology.

Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. These statements are based on assumptions and assessments made by Gamesys, Bally's and Premier Entertainment, as the case may be, in light of their experience and their perception of historical trends, current conditions, future developments and other factors that they believe appropriate. By their nature, forward-looking statements involve risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors that could cause actual results and developments to differ materially from those expressed in or implied by such forward-looking statements are unknown.

Although it is believed that the expectations reflected in such forward-looking statements were reasonable at the time the statements were made, no assurance is given by Gamesys, Bally's and Premier Entertainment that such expectations or the assumptions and assessments underlying them will prove to have been correct and the circumstances may change. You are therefore cautioned not to place undue reliance on these forward-looking statements. None of Gamesys, Bally's and Premier Entertainment assumes any obligation, and Gamesys, Bally's and Premier Entertainment disclaim any intention or obligation, to update or correct the information contained in this Announcement (whether as

a result of new information, future events or otherwise), except as required by applicable law or regulation (including under the Disclosure Guidance and Transparency Rules of the FCA).

Except as expressly provided in this Announcement, the forward-looking statements have not been reviewed by the auditors of Gamesys, Bally's or Premier Entertainment or their respective financial advisers. Such forward-looking statements involve known and unknown risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among the factors that could cause actual results to differ materially from those described in the forward-looking statements is (1) the satisfaction of the Conditions, (2) any regulatory approvals required for the Combination not being obtained on the terms expected or on the anticipated schedule, (3) the ability of Gamesys, Bally's and Premier Entertainment to meet expectations regarding the timing, completion and accounting and tax treatments of the Combination, (4) the possibility that Gamesys, Bally's and Premier Entertainment may be unable to achieve any expected synergies and operating efficiencies in connection with the Combination within the expected time frames or at all and to successfully integrate the Gamesys' operations into those of Bally's, (5) uncertainties surrounding the COVID 19 pandemic, including limitations on Bally's operations, increased costs, changes in customer attitudes, impact on its employees and the ongoing impact of COVID 19 on general economic conditions, (6) unexpected costs, difficulties integrating and other events impacting Bally's recently completed and proposed acquisitions and its ability to realize anticipated benefits, (7) risks associated with Bally's rapid growth, including those affecting customer and employee retention, integration and controls, (8) risks associated with the impact of the digitalization of gaming on casino operations and the highly competitive and rapidly changing aspects of iGaming and sports betting businesses generally, and (9) the very substantial regulatory restrictions including costs of compliance; restrictions and limitations in agreements to which Bally's and Gamesys are subject, including debt financing, could significantly affect Bally's ability to operate its business and its liquidity. Such forward looking statements should therefore be construed in the light of such factors. None of Bally's, Premier Entertainment and Gamesys, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur.

No profit forecasts, estimates or quantified benefits statements

No statement in this Announcement is intended, or is to be construed, as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Gamesys or Bally's for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Gamesys or Bally's, respectively.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror before the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each

of: (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Each of the Electing Gamesys Shareholders has irrevocably undertaken to elect for (or procure the election for) the Share Alternative in respect of their entire (or, in the case of Michael Mee, part of his) beneficial holding of Gamesys Shares (as set out above).

The irrevocable undertakings will lapse if: (a) following the release of this Announcement and before the publication of the Scheme Document, Bally's or Premier Entertainment announces, with the consent of the Panel, that it does not intend to proceed with the Scheme and at the same time neither Bally's nor Premier Entertainment announce an intention to proceed with a Takeover Offer; (b) the Scheme is terminated by Gamesys, lapses or is withdrawn in accordance with its terms and at or before, or within two Business Days after, the time of such lapse or withdrawal, Bally's or Premier Entertainment has not publicly confirmed that it intends to implement the Combination by way of a Takeover Offer; or (c) the Cooperation Agreement terminates pursuant to clauses 12.1.4(f), 12.1.5(b) or 12.1.5(c), save for the obligations of the Electing Gamesys Shareholders relating to the election for the Share Alternative and certain other provisions relevant to such obligations, which will continue in force. Sub-paragraph part (c) will not apply if, in the case of clauses 12.1.4(f)(i), 12.1.5(b) or 12.1.5(c) of the Cooperation Agreement, a majority of the Bally's Board continue to recommend unconditionally that Bally's Shareholders vote in favour of the Bally's Resolutions (as defined in the Cooperation Agreement).

In addition to the above, the irrevocable undertakings entered into by Andrew Dixon and HG Vora will lapse if a third party announces a firm intention to make an offer for Gamesys on terms which represent an improvement of at least 5% on the value of the consideration offered in connection with the Combination (unless Bally's announces an improvement to the terms of the Combination within five Business Days of any such announcement). In such circumstances, Andrew Dixon's obligations relating to the election for the Share Alternative will remain binding. The irrevocable undertakings entered into by Noel Hayden, Michael Mee and Robin Tombs remain binding even in the event of a higher competing offer for Gamesys.
